

ARTISTRY™ FACE SKIN CARE BENEFITS

After your daily skin care routine, why not continue to give your skin the best care – even when you apply your makeup?

ARTISTRY TINTED MOISTURISER SPF 15 PA++ for all skin types. This moisturising formula hydrates the skin, shields from environmental assaults and provides an ideal finish. ARTISTRY Tinted Moisturiser SPF 15 PA++ is sheer, lightweight and is the ultimate “complexion protection” for skin care benefits and an all-day healthy glow.

ARTISTRY HYDRATING FOUNDATION for normal-to-dry skin. This moisture-rich foundation optimises your skin’s moisture level with the ARTISTRY exclusive Nourish 3 Complex featuring essential fatty acids from Chia and hydrating Indian Fig, both grown on the NUTRILITE™ brand’s certified organic farms. Also contains the patent-pending Aura of Protection to guard against free radicals, and skin-friendly SPF 20 PA +++ sunscreens to ward off harmful UVA/UVB rays.

ARTISTRY BALANCING FOUNDATION for combination-to-oily skin. This lightweight formula normalizes skin surface oils and hydration with ARTISTRY exclusive Tri-Balance, featuring oil-controlling Acerola Cherry Fiber and hydrating Indian Fig. Also contains the patent-pending Aura of Protection to guard against free radicals, and skin-friendly SPF 20 PA+++ sunscreens to ward off harmful UVA/UVB rays.

**ARTISTRY IDEAL DUAL POWDER FOUNDATION**

for normal and combination-to-oily skin. Even skin tone and prevent shine while diminishing the appearance of fine lines. Weightless, transparent colour won't clog pores, leaving your skin clean and healthy. Added skin care benefits feature antioxidants and skin-friendly SPF 18 PA+++ sunscreen protection.

ARTISTRY FACE POWDERS for all skin types. So light, so finely milled, that they won't clog pores or stand up on the skin. Plus, our powder particles are surface-treated with skin-loving emollients for an all-day natural appearance.

ARTISTRY CONCEALER for all skin types. Masks discolourations while helping to protect against environmental assaults and harmful UVA/UVB rays from the sun with skin-friendly SPF 15 PA++.
