

ARTISTRY LABS

Comparing our
two latest launches for targeted
skin-care needs

LABS RETEXTURIZING SYSTEM

Peel - Serum -
Aquabrasion Device

Skin that looks dull, **rough**,
and **dehydrated**, with **fine lines**
and **visible pores**.

Peel (PM): 2 days per week
Serum (AM, PM): for 4 weeks.

Clinically proven to refine skin
texture, visibly smooth fine
lines, and minimise the look
of enlarged pores.

LABS ILLUMINATING SYSTEM

Serum - Spot Corrector

Hyperpigmentation: dark
spots, age spots, sunspots,
and uneven skin tone.

Daily application: twice a day
(AM, PM) for 4 weeks. Improved
results up to 12 weeks or longer.

Clinically proven to reduce the
appearance of dark spots for
a more even skin tone and a
brighter, more radiant look.
