

## New Artistry Protein Peptide Serums for youthful-looking skin!

Get ready to discover the **new Artistry™ Defying and Correcting Serums**, featuring plant-derived peptides and phytonutrients that will help you **defy early signs of ageing** and **advanced concerns** for skin that feels and looks smoother, firmer and healthier!

**The Defying Serum** is a lightweight, fast-absorbing formula that helps hydrate the skin and improve the appearance of fine lines, giving you a youthful glow.

The **Correcting Serum** with its creamy texture specifically **targets advanced signs of ageing**, improving resilience for a youthful looking skin.

### What's new compared to Signature Select Serums?

**NO MIXING REQUIRED:** Enjoy 10 benefits in 1 unique formula.

**SUSTAINABLE PACKAGING:** 30% post-consumer recycled (PCR) materials.

**NUTRILITE™ INGREDIENTS:** Exclusive ingredients with seed-to-skin traceability.

**ARTISTRY CLEAN BEAUTY STANDARDS:** Rigorous clean beauty criteria.

**ENHANCED BENEFITS:** Delivers all the benefits of Signature Select™ Serums – and much more!

### Why You Should Give These Serums a Try:

#### **CLINICALLY PROVEN RESULTS:**

They target 10 signs of ageing, helping you achieve visibly younger-looking skin in just one week\*

#### **ADVANCED INGREDIENT TECHNOLOGY:**

Packed with **powerful amino acids** with pore-reduction technology (Defying) and **cranberry biopeptide** that delivers results similar to **retinol** (Correcting).

#### **VISIBLE IMPACT:**

**86%** of users reported an immediate improvement in the appearance of fine lines. (Defying), while **93%** reported improved skin elasticity (Correcting).

*\*Clinical Study: Statistically significant improvement from baseline, n=40 | \*\*In Vivo, \*\*\*2-week in vivo study. Consumer Study: Statistically significant results in an 8-week use test among 113 women.*
