

“Health and wellness are important to me and my family and I know how important it is to have a good daily oral care routine. I want a high quality, safe and effective brand I can trust.”

Support your healthy lifestyle with Glister

Your mouth is your body’s gateway, and good oral care is a vital part of your overall health. When you brush, floss and rinse with Glister, you’re preserving your body’s delicate balance.

A science-driven total oral care system

Each element of the Glister 3-step solution is scientifically supported to help maintain healthy teeth and gums and maintain the balance of your unique oral microbiome.

Plant-Based Goodness

Formulas include plant - and naturally derived ingredients such as aloe and Nutrilite™- grown peppermint. Without alcohol, peroxide and animal-derived ingredients.

A Legacy of Confidence

Glister toothpaste is the No. 1 selling Amway product with 55 years of heritage. Globally one Glister product is sold every second, for families to enjoy safe, gentle and effective oral care.¹
