DID YOU KNOW THAT...

the liver is responsible for **MORE THAN 500 VITAL FUNCTIONS!** Whatever you eat, drink and breathe, before going into your bloodstream, gets filtered by your liver.

EXCLUSIVE BLEND OF BOTANICALS

Nutriline Milk Thistle contains extracts of milk thistle, turmeric, dandelion root, acerola cherry, and citrus bioflavonoids. All obtained **FROM SUSTAINABLY MANAGED NUTRICERT™ FARMS.** Nutriline controls the entire process from seed to supplement - a philosophy Nutriline has followed for **more than 80 years.**

MILK THISTLE EXTRACT

contributes to the liver health, PROTECTS THE LIVER, AND SUPPORTS ITS DETOXIFYING FUNCTION. Milk thistle extract also facilitates digestion and helps the body cleanse itself.

ITEM NO. 101831

TURMERIC & DANDELION ROOT

Turmeric **has antioxidant properties** and contributes to **THE PROTECTION OF CELLS FROM OXIDATIVE STRESS.** Dandelion root has prebiotic characteristics and contributes to **GASTROINTESTINAL WELL-BEING** through its prebiotic effects.

PLANT-BASED PRODUCT

SUITABLE FOR VEGETARIANS - does not contain any ingredients of animal origin. It is also free from **artificial sweeteners, colors, flavors or preservatives.**

GOOD CHOICE FOR YOUR LIVER

Containing compounds not commonly found in the typical diet, Nutriline Milk Thistle is a **CONVENIENT WAY TO SUPPORT YOUR LIVER HEALTH.** Easily integrate to your daily nutrition routine by taking one tablet during breakfast and dinner.

NUTRILITE IS THE WORLD #1 SELLING VITAMIN AND DIETARY SUPPLEMENTS BRAND**

* Plant - based product.
