

## Celebrating AmGive ESAN Awardees' Impact Across the Region

At Amway, we deeply believe that creating positive change starts when we come together. Through the AmGive ESAN grant program, we aim to amplify the outstanding work of nominated and **awarded NGOs**, empowering them to build upon their existing achievements and make an even greater **difference** in their **communities**.

### An Incredible First Edition

We are thrilled to share that the first edition of AmGive ESAN saw astonishing participation:

- **Over 50 applications received.**
- **Representing 15 countries across the ESAN region.**
- **Health, Nutrition & Wellbeing** emerged as a **key theme**, with **Empowerment** being another standout.

After a thorough and careful review, we are thrilled to announce that **17 outstanding NGOs have been selected as AmGive ESAN awardees!** Each of these organisations will receive a **one-time AmGive grant** of up to €5,000\* in financial support. The specific grant amount, whether it's €5,000, €2,500, or €1,500, has been carefully tailored by our selection committee to match the unique size and expected reach of each project.

These projects are a testament to the commitment to community and the power of giving back.

### Meet the 17 AmGive ESAN Awardees

Let's give a huge round of applause to the [17 outstanding NGOs and passionate ABOs and employees](#) who have tirelessly championed their causes. Each selected organisation brings a powerful story of **impact, hope, and transformation**.

### Apply Now: AmGive ESAN PY 2026 Is Open!

If you know an inspiring organisation or know a story that deserves to be told and supported, now is your chance to spotlight their work!

The **AmGive Performance Year 2026 application period** is officially **open**, and we invite ABOs and employees across the ESAN region to submit their nominations and help make a difference where it matters most.

For more information, including the Digital Flyer, our [FAQs](#), and Terms & Conditions, please visit your local Amway website or the Library, or contact us at [Amgive.ESAN@amway.com](mailto:Amgive.ESAN@amway.com)
