

# g&h™ Protect Hand Cleanser

g&h™

## Elevating Hand Hygiene with Plant-Powered Care

Experience the purity of Plant-Based Goodness and choose natural care for your family with g&h Protect Hand Cleanser, a new addition to the g&h Body Care line-up that prioritizes clean, plant-powered hygiene for you and your family. Gentle and effective! The new g&h Protect Hand Cleanser keeps your hands clean and pampered.

A must-have that offers gentle cleansing and keeps hands moisturized thanks to the Cica Complex Water and Plant-Based Glycerin. Infused with Green Tea and Rosemary, this hygiene also provides antioxidant protection and helps soothe skin.

### g&h Protect Hand Cleanser is designed to help you with:

-  Gentle but effective cleansing
-  Maintaining skin's natural moisture barrier and its balance
-  Moisturizing and soothing your and your family's hands thanks to cica complex water, rosemary and plant-based glycerin
-  Antioxidant protection of your skin thanks to green tea extract
