

# Amway Academy is Getting a revamp!

We are upgrading our **learning platform** to deliver a **top-notch educational experience** that meets your needs and keeps you engaged.

Here are the **New Features** you can look forward to:

- **Learn in Your Language:** Navigate the platform in your local language while accessing courses in a range of available languages.
- **Personalized Learning:** Quickly find added content, resume courses, and receive tailored recommendations based on your business journey.
- **Learning Paths:** Follow a curated series of courses designed to guide your growth at each stage of your business journey.
- **Course Duration:** View estimated completion times for each course to help plan your learning sessions effectively.
- **Track Your Progress:** Easily monitor which courses you have started and view your overall progress in one place.
- **Share:** Effortlessly share valuable courses with your downlines to help them expand their skill sets.
- **Earn Awards** Complete courses to receive virtual awards and certificates that you can share on social media or download. And the certificates will come in an updated layout!
- **Learn on Any Device:** Access micro-learning content anytime, anywhere, whether on a computer, or mobile device.

## How to Prepare:

Remember to download your previously earned certificates from the current platform. Once we transition to the new platform, access to the old system, including your certificates, will no longer be available. [[Certificates v5](#)]

**Stay tuned** for more updates as we continue to **enhance your digital learning experience!**
