

The New Amway Academy Learning Platform is Here!

The **New Amway Academy** is live and ready for you to explore!

This launch is part of our ongoing commitment to **enhance your digital experience**.

Here's What You Can Explore Right Now:

- **Learn in Your Language:** Navigate the platform in your local language, with courses available in multiple languages to suit your needs.
- **Personalized Learning:** Instantly find newly added content, pick up where you left off, and receive recommendations tailored to your business journey.
- **Learning Paths:** Follow curated courses that guide your growth at every stage of your business journey.
- **Course Duration:** Plan your learning efficiently by checking estimated completion times for each course.
- **Track Your Progress:** Keep an eye on the courses you've started and see your overall progress in one convenient place.
- **Share with Your Team:** Found a great course? Share it easily with your downlines to help them grow their skills too.
- **Earn Awards:** Complete courses to earn virtual awards and certificates. You can share these on social media or download them—now with a fresh, updated look!
- **Learn on Any Device:** Enjoy learning on the go! Whether on your computer or mobile device, access content anytime, anywhere.

How to Access Amway Academy

To access the new Amway Academy, simply go to My Business and select Training and select e-learning from the menu.

Important Note

If you didn't **download your old certificates before the launch**, Customer Service can still help you recover them. Contact our team for assistance.

We can't wait for you to dive in and explore the New Amway Academy!
