NutraLITE Branded Cork Mug

The ceramic mug (340ml) has a cork base which serves as a built-in "coaster", insulating the heat of the liquid inside from the surface of a table or desk.

The removable slider lid helps to prevent spills, and also helps to keep your drink warmer for a little longer.

Ceramic Care Instructions:

- Please do not scratch the print.
- Avoid using strong detergents to clean the mug.
- Hand wash only. Not dishwasher and microwave safe.
- Do not use a scourer or abrasive cloth to wash the mug.
- Do not soak in hot water for prolonged periods.

**Available from 14th October – 14th November 2025
