

Empower Your Cause: AmGive ESAN 2026 Now Open for Applications!

Back for its second edition, Amway's grant programme is here to help you make a bigger impact.

At Amway, we believe in the power of people helping people. This core value drives our corporate social responsibility efforts, focusing on three key areas: Nutrition, Empowerment, and Engagement.

Following the success of our inaugural launch, which received over 50 applications from 15 countries across the region and awarded 17 NGOs a one-time grant of up to €5,000 tailored to the size and expected reach of their projects, we're excited to announce AmGive ESAN 2026. This initiative continues to empower our employees and Amway Business Owners (ABOs/IBOs) to support the causes that matter most to them.

What is AmGive?

AmGive is a grant programme that provides financial support to non-profit organisations championed by our employees and ABOs. Eligible individuals can apply for a one-time grant to support a cause they care deeply about.

Who is Eligible?

All Amway employees and active Platinum and above ABOs in good standing, with a minimum of two years of active ABO status, are eligible to apply. Submissions must benefit non-profit organisations registered and recognised by a government tax agency.

How Does it Work?

1. Applying is simple: Visit your local Amway website and log in to your account.
2. Go to the "Corporate Social Responsibility" page in the main navigation menu.
3. Click "Apply Now" under the AmGive Programme banner to start your application.
4. Share your story: Tell us about your chosen non-profit and how your partnership is making a difference in your community.

All applications will be reviewed by our selection committee, and awarded causes will receive a one-time AmGive grant*.

The application form is also available directly at this [link](#).

Making a Difference Together

AmGive is more than just a grant; it's a way to amplify the impact Amway employees, ABOs, and community organisations are already making. Positive change begins when we come together, and we can't wait to see the inspiring projects you'll champion in 2026!
