**The Nutrilite Blender is a great way to support your journey to healthy nutrition.** It provides a convenient and easy-to-use solution to enjoy smoothies, shakes and so much more.

### Powerful

Meets high blending standards: turns even the toughest ingredients into fine smoothies thanks to an energy efficient powerful motor.

**1200  
Watt**

**28.000  
rpm**

### Durable and safe

Inspires confidence with a durable 1.8-litre glass jar that won't leak chemicals or microplastics into your food, an 8-blade knife set made of high-quality stainless steel and slip resistant feet for safe operation.

### Easy to use

Excellent blending results due to 3 pre-set programmes (ice crush, smoothie and interval), as well as pulse and stepless speed control for added flexibility. It is easy to clean. All parts, excluding the knife set, are dishwasher safe.

### Practical

Comes with the glass jar with embossed scale and an integrated measure-cap lid to make ingredient measuring and portion control super simple.

### Convenient

Integrates into an on-the-move lifestyle thanks to a durable Tritan 'Blend & Go' cup. It can be simply inserted into the blender base, not twisting and turning required.

### Stylish

Features stainless steel housing and a modern, premium design to make it an eye-pleasing addition to any kitchen.
