Year-Round Immunity Support JOURNEY

Foundational vitamin immunity support⁴ no matter the season.

5% DISCOUNT WITH FULL PV/BV

Designed to provide your immune system with extra support, the Nutrilite™ Year-Round Vitamin Immunity Bundle contains Nutrilite Vitamin C Plus Extended Release², Nutrilite Balance Within³ and, additionally, Nutrilite All Plant Protein. Take control of your diet and give your immune system the care and attention it deserves, all year round.

What It Does For You

- Makes it easy to support your immune system with essential vitamins¹.
- Contains three high-quality products from Nutrilite – the world's no.1 selling vitamin and dietary supplement brand⁴.
- Balance Within delivers vitamin B9 (folic acid) and B6, and Vitamin C Plus Extended Release provides vitamin C to support the normal functioning of the immune system.
- Vitamin C Plus Extended Release delivers vitamin C steadily over eight hours, helping to optimise its absorption.
- All Plant Protein provides proteins with a balance of all nine essential amino acids, without added colours, flavours or preservatives.

Facts For You

- 1 tablet of Vitamin C Plus Extended Release provides a slow, steady release of vitamin C into the body to maximise absorption without the waste associated with large doses or instant-release tablets.
- Balance Within is a fast-melting, pleasant-tasting powder that contains vitamins B6 and B9 (folic acid), which support the normal functioning of the immune system³.
- The protein blend used for All Plant Protein contains all nine essential amino acids, but without added colours, flavours or preservatives.

Why You Would Like It

Designed to provide your immune system with extra support, the Nutrilite Year-Round Vitamin Immunity Bundle contains Nutrilite Vitamin C Plus Extended Release², Nutrilite Balance Within³ and, additionally, Nutrilite All Plant Protein.

Vitamin C Plus Extended Release provides vitamin C, which plays a role in the normal functioning of the immune system², and Balance Within contains 2 B-vitamins, which support immunity as well³. All Plant Protein can conveniently complement a well-balanced diet by providing proteins with a balance of all nine essential amino acids, without added colours, flavours or preservatives.

This convenient nutritional bundle is ideal for anybody looking for all-year-round vitamin immunity support^{2,3}.
