**ENERGISE**

## **XS PRE-WORKOUT HYDRATION FUEL**

Helps energise your workout with increased muscular strength and sharper focus. Created to support the formation of ATP (Adenosine Triphosphate) and with added powerful blend of adaptogens and electrolytes for non-specific resistance to stressful conditions, it helps you hydrate while harnessing your power for maximum performance.

**121617 Tropical Storm**

**121618 Strawberry Kiwi**

(20 x 15 g Sachets)

**GIVE YOUR BODY AN IMMEDIATE BOOST  
AND LONG-LASTING ENERGY**

# XS POST-WORKOUT RECOVERY FUEL

Helps recharge your muscle following physical activity. Loaded with 15.2g of premium quality Whey Protein providing 9 essential amino acids and with added blend of instantized BCAAs (Branched Chain Amino Acids) to help you recover faster from workouts. The synergistic cocktail of phytonutrients and minerals provides building blocks for normal function and shock absorbing qualities of the joints.

**121620 Crushed Pineapple**

**121621 Orange Vanilla**

(20 x 27 g Sachets)
